

Seeking Full Time Plumber - \$50,000 to \$80,000 per year

We are currently looking for a self-motivated, reliable plumber with at least three years of experience to join our growing team! Candidates with experience in water treatment systems are preferred.

Responsibilities and Duties

- Install and maintain water treatment systems
- Repair or replace broken and clogged drainage lines
- Install pipes and fixtures, such as sinks and toilets
- Assemble fittings and valves for installation
- Modify length of pipes, fixtures, and other plumbing materials, as needed
- Install pressure tanks and hot water tanks
- Test plumbing systems for leaks and other problems
- Follow health and safety standards and comply with building codes
- Perform inspections of plumbing systems to identify and replace worn parts
- Other plumbing related functions, as needed

Qualifications and Skills

- Strong mechanical and technical proficiency
- Consistent demonstration of professionalism
- Outstanding customer service, communication and time management skills
- Ability to accomplish projects in a team environment
- Good decision-making and trouble-shooting skills while possessing a sense of urgency to meet deadlines with attention to detail
- Must be willing to submit to a background check and comply with the company's tobacco-free workplace and drug/alcohol testing requirements

Benefits

- Competitive pay
- Health insurance
- Use of company vehicle
- Training and development opportunities

About Tri-County Water Services

Guided by our principals of extraordinarily reliable and professional service and strong customer relationships, we've become one of the leading residential and commercial water treatment and plumbing companies in Southeastern Pennsylvania.

Job Type: Full-time **Salary:** \$50,000 to \$80,000, based on experience
